**REPORT OF THE COOPERATIVE PURCHASING COMMITTEE  
SPRING 2015 UPDATE**

BQSI/MB members continue to participate in the HSLANJ Group Licensing Initiative. BQSI/MB members have participated in the initiative since July 1, 2012 and can now take advantage of the continued growth in the program as it now offers many more resources.

Members continue to have opportunities to review other products and resources. Rittenhouse R2 Digital Library, SWETS Medical Searcher, BrowZine and Anatomy.tv have expressed an interest in working with BQSI/MB members with trial reviews of their products as well as offering “subscriber sensitive” pricing.
