Publicity/Website Committee Report Spring Meeting 2015

For the period between October 2014 & April 2015 the BQSI/MB website was frequently updated and the members were informed about any changes. Postings to the BQSI/MB news section have been placed on a regular basis. A “40 Years of Working Together” anniversary banner was created and posted on the site. A new page “President Corner” has been added to the site. A member mailing list was updated as needed.

As usual, I ask all members kindly check the information on the website for any errors (such as typos, broken links, outdated information, etc.); please keep me posted on any changes in your profile, so that we could keep our website updated. Also please inform me about your new publications, any changes in AHIP level, etc., to make all your colleagues aware of your achievements. One of the major goals of our group is to provide networking and our website and listserv are perfect means for that.

Respectfully submitted,

Yelena Friedman
Publicity/Website Committee Chair
